

The logo for the Biology Deckblatt features the word "BIOLOGIE" in large, green, block letters. The letter "O" is replaced by a small globe. To the left of the text is a colorful DNA double helix, and to the right is a blue butterfly. Below the main text is a green banner with the word "DECKBLATT" in white, bold letters. A ladybug is on the left side of the banner, and a small green plant is on the right. The entire logo is surrounded by small green dots.
